**BUSINESS MEETING**

**Ground lease agreement between the University of Central Florida and the U.C.F.A.A. Property Corporation, Inc.**  
Vice President Bill Merck briefly explained that we followed the RFP process to select a team to work with UCF to develop a new 10,000-seat convocation center, student housing, parking, and associated support facilities. In approaching the financing for the first stage of this project that includes 1,000 beds of student housing, associated parking, and infrastructure, we need approval to enter into a ground lease between the University of Central Florida and the U.C.F.A.A., Inc., Property Corporation.

**Support Agreement between the University of Central Florida and the UCF Athletics Association, Inc.**  
Vice President Bill Merck explained that approval is also needed for a support agreement between the University of Central Florida and the UCF Athletics Association, Inc. The document provides to the rating agencies and bond insurers a summary of the university’s financial support and organizational structure for commitment to the project.

UCF General Counsel Scott Cole read the attached resolution covering both the ground lease and the support agreement.
A motion was made to approve the resolution. The motion was passed with Vice Chair Tom Yochum, Trustee Rick Lee, and Trustee Rick Walsh abstaining, with Vice Chair Yochum and Trustee Lee citing conflicts of interest.

**OTHER BUSINESS**
A workshop will be scheduled for board members in the near future to review all aspects of the project. Additionally, updates on the project would be presented at subsequent meetings of the board.

There being no further business, Chairman Nunis adjourned the special conference call meeting at 3:29 p.m.
