Chairman Richard Nunis called the meeting of the Board of Trustees to order in the Key West Ballroom of the Student Union at 8:50 a.m. The following members attended the meeting:

- The Honorable Judith Albertson
- The Honorable Olga Calvet
- The Honorable Patrick Christiansen
- The Honorable Geraldine Ferris
- The Honorable Phyllis Klock
- The Honorable Richard Lee
- The Honorable Richard Nunis
- The Honorable Ava Parker
- The Honorable Marco Peña
- The Honorable Harris Rosen
- The Honorable Conrad Santiago
- The Honorable Richard Walsh

Nunis welcomed the Board members and asked that President John Hitt discuss the university’s response to the events of September 11th.

**COMMENTS**

Hitt discussed the many measures put in place to assist students, faculty, and staff in the wake of the recent terrorist attacks. These measures included havens for personal safety, opportunities for personal expression, counseling, support groups, educational programs, volunteer opportunities, and a well-attended National Day of Prayer and Remembrance service. Hitt assured the Board that UCF’s core value is the respect and dignity of every individual. He stated that UCF is being vigilant and responsive to the needs of its students.

Nunis called for a moment of silence in observance of the September 11th tragedy, and Trustee Geraldine Ferris expressed thanks from the Arab-American community for UCF’s response to the tragedy.

Hitt announced that parking space #8 has been reserved for Board of Trustee members on campus and Millican Hall, Room 392, will be ready for use as a Trustee office and lounge in about one month.

Hitt reported that UCF rose from fifth place in the SUS in total enrollment in 1994 to third this fall. The 41% jump from 25,363 to 35,780 students far outstripped the growth of UCF’s closest competitor, FSU, which recorded a 21% total enrollment increase. UCF’s undergraduate enrollment grew by 42%, compared to 25% for its closest SUS competitor, FSU. UCF now is the second largest state university in undergraduate enrollment, behind the University of Florida.

Hitt also provided data showing that UCF would suffer a deficit in academic space in the 2005-2006 academic year amounting to twice the average for Florida’s state universities and far exceeding any other university in the system. The projected deficit totals more than one million square feet of classroom, laboratory, library, study, office, conference, and support services space.
REPORTS

The following reports were presented to the Board:

ceu UCF Master Plan, presented by William Merck II, Vice President for Administration and Finance. The plan enables the main campus to develop, assuming student demand and funding permit, to the maximum enrollment that the campus acreage can support—48,000 students. Proposed features of the next five-year planning phase included two additional parking garages, a 12,000-seat arena, additional on-campus housing, and an expansion of Greek Park into property bordered by McCulloch Road, Alafaya Trail, Lake Claire, and Gemini Boulevard North.

ceu Student Safety and Campus Security, presented by William Merck.

UCF is among the safest of 1,497 campuses examined nationwide.

cfu Campus Technology, presented by Joel L. Hartman, Vice Provost for Information Technologies and Resources. UCF has received national recognition four years in a row for being one of Yahoo Internet Life’s “100 Most Wired Campuses.” UCF is ranked 57th, ahead of Harvard, in the 1,300 U.S. universities and colleges evaluated for their innovative use of technology. EDUCAUSE has recognized UCF for its “Best Practice in On-line Technology,” and we received the 2000 Excellence in Distance Learning Programming–Higher Education award from the U.S. Distance Learning Association. UCF continues to be positioned as a leader in distance learning by facilitating access to degree programs and expanding options through Web-based course offerings. More than half of all UCF faculty are using the Web in their courses, and one-third of all UCF students enroll in at least one distance learning course each year.
