REMARKS AND INTRODUCTIONS

President Hitt noted that UCF and Valencia Community College leaders dedicated a state-of-the-art, joint-use facility at Valencia’s west campus. Governor Crist cut the ceremonial ribbon for the environmentally friendly, 100,000 square-foot building that houses classes and offices for both institutions. Hitt explained that the partnership between UCF and Valencia is the most productive university-community college
collaboration in the nation. He added that after the ribbon cutting, UCF’s founding
president, Charles Millican, was recognized with a plaque for his efforts in support of
Valencia’s founding and in initiating the partnership between the two schools.

Hitt also announced that the MBA program in the UCF College of Business
Administration is among the nation’s top 10 “best–administered” programs, according to
the Princeton Review. It is the first time that the University of Central Florida has
received this ranking, and it is the only Florida business school to make the list.

Hitt recognized the following members of the UCF community.

Dr. Glenn Lambie, associate professor in the College of Education, received both the
Distinguished Mentor Award and the Publication in Counselor Education and
Supervision Award from the Association for Counselor Education and Supervision. The
awards recognize Dr. Lambie’s longstanding commitment to the success of graduate
students, as well as his highly regarded record of research and publication in the field of
counselor education.

Dr. Marshall Schminke, the inaugural BB&T Professor of Business Ethics in the
College of Business Administration, was invited in Spring 2009 to join the Society for
Organizational Behavior, a scholarly society for prominent management scholars.

Hitt announced that the Employee of the Month for July was Darlene Bouley, an
administrative assistant in the Center for Distributed Learning. The Employee of the
Month for September was Lillian Ramos, a program area liaison in the Department of
Educational Research, Technology, and Leadership. The Employee of the Month for
