The Board of Governors hereby delegates such approval authority to each university board of trustees provided that the board of trustees establishes procedures for the naming of such University Facilities to include the following elements:

(a) The naming of any University Facility must be approved by the board of trustees as a noticed, non-consent agenda item.

(b) Non-gift related honorary naming of a University Facility should be reserved for individuals who have made significant contributions to the university or to the state of Florida or to the fields of education, government, science or human betterment and who are of recognized accomplishment and character. Honorary naming of a University Facility is not allowed for any active board member or employee of the Board of Governors or any active employee, student, or trustee of the university.
