The university president or his designee will be responsible for the implementation of this board policy.

POLICY STATEMENT

The naming of any university facility must be approved by the University of Central Florida Board of Trustees as a noticed, non-consent agenda item.

Non-gift related honorary naming of a university facility should be reserved for individuals who have made significant contributions to the University of Central Florida or to the State of Florida or to the fields of education, government, science or human betterment and who are of recognized accomplishment and character. Honorary naming of a university facility is not allowed for any active board member or employee of the SUS Board of Governors or for any active employee, student, or trustee of the university.

The University of Central Florida Advancement Division and the University of Central Florida Foundation are responsible for the applicable donor recognition of gifts made to benefit the University. UCF Advancement and the UCF Foundation will maintain policies and procedures as needed for the acceptance and recognition of gifts.
