

**University of Central Florida
Board of Trustees
Conflict of Interest Statement & Disclosure Form**

Introduction

Section 8 of Article II of the Constitution of the State of Florida states: “A public office is a public trust.” As the governing board for the University of Central Florida, members of the UCF Board of Trustees serve the public trust. UCF Trustees are therefore expected to make decisions that are grounded in advancing the best interests of the public institution and the public good.

University trustees are generally involved in the affairs of other institutions and organizations. However, it is prescribed by law in the State of Florida that no public officer have any interest, financial or otherwise, direct or indirect; engage in any business transaction or professional activity; or incur any obligation of any nature which is in substantial conflict with the proper discharge of his or her duties in the public interest.

This Conflict of Interest Statement incorporates relevant provisions of the Florida Constitution and the Florida Statutes addressing standards of ethical conduct for public officers and is applicable to each member of the UCF Board of Trustees.
