GOVC-1: Amendments to Bylaws for UCF Academic Health, Inc., UCF Athletics Association, Inc., UCF Convocation Corporation, UCF Finance Corporation, and UCF Stadium Corporation

Meeting Date for Upcoming Action: May 26, 2022

Purpose and Issues to be Considered:
UCF Regulation 4.034(3)(c) requires any amendments to the UCF Direct Support Organization (DSO) bylaws to be approved by the UCF Board of Trustees (BOT). The bylaws for five of the university’s DSOs were revised and adopted by their respective DSO boards to follow the Governance and Management Recommendations resulting from the BOT’s DSO Governance Project Report to improve DSO operational effectiveness and efficiency.

Background Information:
The University of Central Florida Direct Support Organizations are created exclusively to benefit the university and are overseen by the UCF Board of Trustees, the UCF President, and the UCF Vice presidents who serve as chief executive officers of the DSOs. In December 2019, the Board of Trustees, through Chair Beverly Seay, initiated a DSO Project to review all the UCF DSOs to ensure best practices and improve efficiencies among UCF’s DSOs. Following a thorough review of DSO governance and management, one that looked to establish best practices, on April 22, 2021, the Board of Trustees approved DSO Governance Recommendations. To implement these recommendations as they relate to DSO Bylaws, the DSO Board Office worked with the Office of the General Counsel to develop a bylaws template to be tailored by each DSO to its operations. The goal of such a template is to create coherence across the DSO Bylaws, which currently vary in areas where consistency is needed to align DSO Board operations.

Five of the eight UCF DSOs have prepared updated Bylaws that were reviewed and approved by their respective DSO Boards:

UCF Academic Health, Inc. - Second Amended and Restated Bylaws approved April 22, 2022
UCF Athletics Association, Inc. - Fourth Amended and Restated Bylaws approved May 16, 2022
UCF Convocation Corporation – Fifth Amended and Restated Bylaws approved April 25, 2022
UCF Finance Corporation – Fourth Amended and Restated Bylaws approved April 21, 2022
UCF Stadium Corporation – Fourth Amended and Restated Bylaws approved April 25, 2022

These bylaws were approved by each respective DSO to take effect on July 1, 2022, pending approval of the Board of Trustees. The remainder of UCF’s DSOs will bring forward their amended and restated bylaws for BOT approval in Fall 2022.
Recommended Action:
Approval of the amended bylaws for UCF Academic Health, Inc., UCF Athletics Association, Inc., UCF Convocation Corporation, UCF Finance Corporation, and UCF Stadium Corporation

Alternatives to Decision:
Decline the proposed bylaws amendments or recommend modifications to be considered by the respective DSO Board(s).

William Self, PhD
Professor of Medicine and Associate Director of Undergraduate Affairs, Burnett School of Biomedical Sciences
UCF Athletics Board of Directors
Reappointment; 3-year Term
7/1/2022 – 6/30/2025
Other DSO Affiliations: N/A

Dr. Bill Self currently serves as the Chair of the Advisory Council of Faculty Senates. Dr. Self is a Professor of Medicine in the Burnett School of Biomedical Sciences where he also serves as the Associate Director of Undergraduate Affairs. The Burnett School is an interdisciplinary School that offers graduate and undergraduate programs across the areas of Molecular Microbiology, Neuroscience, Molecular and Cellular Biology, Biotechnology and Cancer research. Burnett School is part of the UCF College of Medicine, itself established just over 10 years ago, and the School serves as the major research active unit in the College.

Bill received his Bachelor of Science in Microbiology (Magna Cum Laude) from the University of Florida in 1993, followed by his Ph.D. in 1998 in which he studied the role of molybdenum in the transcriptional regulation of genes involved in energy metabolism in Escherichia coli under the guidance of Dr. K. T. Shanmugam. After finishing his Ph.D., he was awarded a post-doctoral fellowship at the National Heart, Lung and Blood Institute under the guidance of Dr. Thressa C. Stadtman (NAS member) in Bethesda, Maryland. At the NIH he studied anaerobic microbiology and biochemistry under Dr. Stadtman in the Laboratory of Biochemistry to help build a solid foundation for future independent research in the areas of both bacterial genetics and biochemistry.

Since arriving at UCF in 2003 he has continued studies of genetics and biochemistry of metalloenzymes from clostridia, especially Clostridioides difficile, but also expanded his research to include research in catalytic nanomaterials (cerium oxide nanoparticles) in collaboration with a leading material scientist, Dr. Sudipta Seal, at UCF. Dr. Self has 74 publications including primary research articles, reviews and book chapters and his work has been highly cited in recent years (H-index of 43 with over 9500 citations). He has given 14 invited talks at national/international conferences and Universities in the past 8 years, served as a panel chair twice at international conferences and served on twelve NIH study sections and six NSF study sections since 2009. He has authored/co-authored over 120 conference presentations alongside students he has mentored and been awarded eight patents (with two more still pending) since 2009. Three of these patents were licensed in 2018.
Besides his extensive research and service to the profession, Dr. Self has also been heavily involved in service to UCF, including serving for seven years on Senate Joint Committees and Councils and eight years as a Faculty Senator for the College of Medicine. Dr. Self served as Chair of the Undergraduate council for two years, a council that oversees all undergraduate curriculum and policies at UCF. He also served as a Provost Faculty Fellow under Dale Whittaker when he was Provost in 2015-2016. He served for three years as the Chair of the Faculty Senate at UCF, and likewise for three years as a member of the UCF Board of Trustees. These three years (2017-2020) were arguably the most challenging times that UCF has seen in its short history as an institution, and this experience was both challenging and rewarding.

He and his wife of 26 years, Marianne, also spend quite a bit of time with their four sons. Matthew and Ryan are current undergraduate students at the University of Florida, Michael is an undergraduate student at Florida State University, and Zach (UF alum) begins medical school at UCF this Fall.

GOVC-3: Approval of Amendments to the University of Central Florida Bonus Plan

Purpose and Issues to be Considered:
Section 1012.978, Florida Statutes, provides that, notwithstanding Section 215.425(3)(d), Florida Statutes, a university board of trustees may implement a bonus scheme based on awards for work performance or employee recruitment and retention. Florida Board of Governors (BOG) Regulation 9.015 permits each board of trustees to establish and implement one or more bonus plans that authorizes the award of bonuses based on the employee work performance or for purposes of recruitment and retention and has established criteria for such plans. The bonus plan submitted for approval complies with the BOG Regulation 9.015 and, therefore, may be implemented upon approval by the university board of trustees.

To create more clarity and to encompass classes of employees who are not in a benefits-earning position, the University proposes to amend the general eligibility criteria. The University also proposes to remove a sentence that unnecessarily refers back to the general eligibility criteria.

Background Information:
Last year, the Board of Trustees approved a Bonus Plan in conformance with the Board of Governors regulation. The plan was developed to meet the criteria of both the statute and the BOG regulation to provide incentive bonuses including for work performance, recruitment, and retention.

Recommended Action:
Recommend approval of the amendments to the University of Central Florida Bonus Plan.

Alternatives to Decision:
Decline the proposed plan amendments or propose different amendments.

Fiscal Impact and Source of Funding:

University of Central Florida Bonus Plan

The University of Central Florida Bonus Plan is designed to comply with Section 1012.978, Florida Statutes, and Florida Board of Governors Regulation 9.015. Pursuant to the Bonus Plan, the University will provide incentive bonuses based on work performance as well as bonuses to address recruitment and retention needs. A bonus is a one-time monetary award given to faculty or staff which is not added to the base salary.

General Employee Eligibility Criteria

To be eligible for any type of bonus, the employee must meet all of the following criteria:

1. Hold a regular, benefits-earning position that is not in a bargaining unit (non-unit).
2. Have a current positive overall performance rating on file with UCF Human Resources, generally meaning a rating of “Effective” or “Satisfactory”.
3. Have no disciplinary action on file for the previous twelve (12) months.
4. Be in an employment relationship with the University on the date any bonus is to be paid at the date of implementation.

Types of Bonuses and Evaluation Criteria

This Bonus Plan contemplates three types of bonuses – work performance bonuses, recruitment bonuses, and retention bonuses. Each bonus type is further described below and related evaluation criteria are provided.

1. Work Performance Bonuses
   Evaluation Criteria: The evaluation criteria for these bonuses includes, but is not limited to, successful documented work performance involving increased duties/responsibilities, completion of a special project, attainment of established goals, superior performance, or specific achievements or assignments of significance.

Bonuses Falling Within This Category:

A. Performance-Based Employee Recognition Bonus
   The UCF Employee Recognition Award Program is intended to recognize and reward documented distinctive and exceptional achievements that go above and beyond an employee’s core job duties and significantly contribute to: University initiatives; departmental initiatives and objectives; student success and/or improved student experience; improved operational efficiency; and/or exceptional customer service.

   Employee Recognition Awards (a.k.a. "one-time performance pay") serve to recognize employees for excellence in circumstances such as:
   • the successful completion of a special project or assignment with pre-determined goals or performance levels in addition to the employee’s regularly assigned duties.
   • assuming additional duties and performing them successfully for a period generally less than six (6) months.
   • a documented productivity goal achievement.
   • going above and beyond by helping another employee in a specific event or task that has been completed.

B. Incentive Compensation Plan Award
   An Incentive Compensation Plan (“ICP”) is a department-specific pre-approved program that provides for a lump-sum award based on successful attainment of
clearly defined objectives. An ICP establishes the award based on eligible faculty or staff’s contributions to departmental goals, which typically includes revenue generation and specific targets to be achieved with a pay-out schedule based on achieving the stated goals within the fiscal year. Incentive compensation programs may be appropriate in circumstances such as clinical practice and advancement; must define eligible employees; and must be provided to Human Resources in advance. The general Bonus Plan eligibility requirements listed above apply to any award under an ICP.

Any Faculty Practice Plan incentive compensation programs must operate in accordance with Board of Governors Regulation 9.017 and are authorized upon approval by the Board of Trustees.

C. Recognition Awards
Recognition Awards serve to recognize employees for superior performance or specific achievements in designated categories. These awards are generally based on an application or nomination process, with documentation of performance and success. The UCF community gathers each year to honor and recognize distinguished staff and faculty members for their outstanding achievements and years of service through the Service and Recognition Awards. Select employees are recognized with an award for significant achievements (e.g., USPS Employee of the Month, non-unit Pegasus Professor Awards, non-unit Trustee Chair Professorships, College of Medicine awards for teaching and research). Faculty excellence awards are presented during an annual ceremony in categories such as teaching, research/creative activities, service, instructional design, advising/mentorship, and librarianship.

2. Recruitment (Sign on) Bonuses
   Evaluation Criteria: The evaluation criteria for these bonuses include, but are not limited to, identification of external candidates with desirable specialized skills and exceptional experience, or where market conditions or departmental structure merit such an award.

3. Retention Bonuses
   Evaluation Criteria: The evaluation criteria for these bonuses include, but are not limited to, circumstances to address verified offers of competing employment, address market conditions which are significantly higher than the current salary, ameliorate salary compression or inversion, or acknowledge successful completion of career development training, or certification programs that are in the best interests of the University or support the mission of the University. There must be a positive evaluation on file with UCF Human Resources for the faculty or staff to be eligible for this bonus, as defined by the general Bonus Plan eligibility requirements. The general Bonus Plan eligibility requirements do not apply, except that the employee must be in active pay status at the time of payment of a retention bonus and the employee must not have a disciplinary action within the 12 month period preceding the payment.

Bonuses Falling Within This Category:
A. One-Time Payment In Lieu of Salary Increase
   A one-time payment in lieu of a salary increase may be made to broad categories of employees where the university’s budget cannot reasonably support recurring salary increases but can support one-time payments using non-recurring funds. Such one-time payments enhance retention of valuable workforce members and avoid the cost
to the university of replacing individuals who may leave to seek an increase in salary elsewhere.

B. One-Time Payment for Employee at Top of Range

A one-time payment in lieu of all or part of a salary increase may be made for retention purposes where an employee is ‘red-circled’ – i.e., would otherwise be eligible for a university salary increase except that the employee is near or above the maximum salary range for the position. The employee may receive some level of salary increase; however, the amount of such increase will vary depending on the availability of funds, performance, and internal equity considerations. Amounts may be paid as a lump sum rather than as an adjustment to base salary.

**Delegations of Authority**

The University of Central Florida Board of Trustees (UCFBOT) delegates authority to the President or the President’s designee to establish procedures to implement this bonus plan, including levels of approvals and compensation for specific bonuses described in this bonus plan. The University of Central Florida Bonus Plan shall be overseen by the Chief Human Resources Officer for all staff employees, and in conjunction with the Office of the Provost for all faculty employees.

**Reporting to the Board of Trustees**

The Board of Governors requires that bonuses paid pursuant to this plan be reported to the UCF BOT on a schedule to be set by the Board. Starting with the first BOT meeting of the Fall 2022 Semester, and accordingly each year thereafter, the President shall submit a report to the Board that certifies the following: (i) that any bonuses paid during the prior year complied with the criteria in this bonus plan; and (ii) that the bonuses were within the University’s budget as approved by the Board. The report shall include the total amount of funds paid for performance, recruitment, and retention bonuses.

GOVC-4: Amendments to University Regulations UCF-2.003 Admission of Graduate Students and UCF-5.017 Appeals of Graduate Program Actions or Decisions

**Purpose and Issues to be Considered:**
The University proposes to amend two University Regulations related to graduate students. Regulation *UCF-2.003 Admission of Graduate Students* sets out the basic requirements for the admission and readmission of graduate students. The university proposes to amend the regulation to rename the plan for students who have been previously dismissed from a graduate program and would like to reapply to the same program, from the conditional retention plan to the probation plan. Regulation *UCF-5.017 Appeals of Graduate Programs Actions or Decisions* sets out the appeal process for graduate students when appealing actions or decisions of their graduate program. The university proposes to amend the regulation to eliminate appeals based on the failure to submit a conditional retention plan, as the College of Graduate Studies no longer uses such plans.

These regulations were posted online April 25, 2022, for public comment. No comments were received as of the date of submission of these materials.

**Background Information:**
Florida Board of Governors Regulation 1.001 provides that “Each Board of Trustees is authorized to promulgate university regulations in accordance with the Regulation Development Procedure adopted by the Board of Governors.” University Regulation UCF-2.003, because it pertains to admission of graduate students, will also be submitted to the Board of Governors for approval as a select regulation after approval by this Board.

**Recommended Action:**
Approve amendments to UCF Regulations UCF-2.003 and UCF-5.017.

**Alternatives to Decision:**
Do not amend University Regulations UCF-2.003 and UCF-5.017 as proposed. Approve alternative amendments.

**Fiscal Impact and Source of Funding:**

       7. WASC Senior College and University Commission

   AND

   (b) Earned a 3.0 GPA (or equivalent) or better in all work attempted while registered as an undergraduate student working for a baccalaureate degree, OR

   (c) Earned a 3.0 GPA (or equivalent) or better in all work attempted while registered as an upper division student working for a baccalaureate degree, OR

   (d) Earned a previous graduate degree or professional degree or equivalent from a U.S. institution of higher education accredited by an accrediting body listed in (2)(a) or its equivalent from a foreign institution in a field related to the discipline of the program to which the applicant is applying.

(3) Each graduate program may determine other requirements for admission, consistent with the mission and purpose of their college and program beyond those listed in (2). All program admissions requirements must be published in the Graduate Catalog and are required to be reviewed and updated annually.

   (a) Graduate programs must include at least 2 of the following materials to support the application:
       - Letter(s) of reference
       - Resume or CV
       - Writing Sample
       - Personal, Goal, or Professional Statement
       - Research Statement
       - Professional, Academic, Artistic, or Music Portfolio
       - Video answer to prompt
       - Other relevant supporting materials approved by the College of Graduate Studies

   (b) Admissions criteria must not include preferences for applicants on the basis of race, color, national origin, disability, religion, or sex.

(4) The requirement to submit GRE, GMAT, or MCAT scores is at the discretion of the program to which the student is applying. Please refer to the current catalog for specific program level standardized test score requirements.
(a) For programs that do not require a GRE or GMAT, all international applicants must submit a course-by-course evaluation of the student’s official transcript by a credential evaluation service recommended by UCF that shows a GPA equivalent of 3.0 from an earned degree equivalent to a U.S. bachelor’s degree obtained from an institution of higher education accredited by an accrediting body listed in (2)(a).

(5) In addition to the above requirements, international students must show proficiency in written and spoken English in accordance with the provisions of University Regulation UCF-2.009.

(6) All graduate applicants must indicate whether or not Florida residency is claimed. An application or residency affidavit submitted by or on behalf of a student which contains false, fraudulent or incomplete statements may result in denial of admission or denial of further registration and/or invalidation of UCF credit.

(7) Exceptions to the above requirements:
   (a) In any academic term, up to 20 percent of the graduate students may be admitted in a given degree program as exceptions to the minimum requirements for graduate admissions as defined in paragraph (2) (b) & (c), above.
   (b) Students who do not meet the admissions criteria and who wish to enroll in courses but not degree programs at the post-baccalaureate level may enroll under the classification of non-degree seeking students. Graduate programs wishing to admit these students to graduate degree programs after the students have satisfactorily completed up to nine hours of graduate course work may do so provided that the number so admitted is included as part of the 20 percent exception, as defined in paragraph (6)(a), above.

(8) In addition to the above requirements, all graduate applicants who are admitted must submit an immunization form. UCF Student Health Services is responsible for oversight of student immunization compliance and reserves the right to require immunizations based on recommendations from the Centers for Disease Control and Prevention (CDC) the Florida Department of Health, the Florida Board of Governors, or the UCF Board of Trustees. UCF reserves the right to refuse registration to any applicant, former student, or student whose health record indicates the existence of a condition which may be harmful to the members of the University community.

(9) Exceptions: Students may apply for an exception to the University’s immunization requirements if they meet one of the following criteria and submit appropriate documentation.
   (a) Medical Basis – The student must provide a letter from a healthcare provider, signed on official medical office stationery, stating the medical reason(s) why the student is not able to receive the vaccine(s), and indicating if this is a temporary or permanent condition.
   (b) Religious Basis – The student (or the student’s parent/guardian if under 18 years old) can sign a Religious Exemption waiver upon request.
   (c) Active Duty Military and Veterans – Active Duty and Veterans may complete the waiver section of the immunization form if documentation of immunizations is unavailable at the time of registration. Proof of military service is required (DD 214 or military ID card).
(d) With approval of the UCF President, limited UCF programs may be an exception when students will not be physically present in any UCF classroom or on any UCF campus. Should such students seek to register for face to face courses, they must comply with paragraph (8).

(10) All applicants for admission or readmission to the University of Central Florida, including any graduate or doctoral programs of study within the University and including any applicant for post-baccalaureate study, are required to disclose on the application prior criminal conduct, pending criminal charges, and prior educational misconduct. The University reviews all applications in which a student discloses prior criminal conduct, pending criminal charges, or prior educational misconduct to determine whether the admission of the applicant is in the best interest of the University. The office responsible for this review is the Office of Student Rights and Responsibilities. Applicants who fail to disclose prior criminal misconduct, pending criminal charges, or any prior educational misconduct are in violation of the disclosure requirements of this paragraph and may be subject to appropriate action by the University, including denial of admission or readmission, revocation of admission, or other academic and/or disciplinary action prescribed by the University, up to and including dismissal. Applicants are not required to disclose minor traffic violations.

(11) Applicants may appeal an admissions decision by following the university admissions appeal procedure. Information regarding this procedure is available in the Graduate Catalog.

(12) Readmissions.

(a) Graduate students who do not maintain continuous enrollment, must apply for readmission. Readmission is not guaranteed. The readmission decision is based on multiple factors such as previous academic performance, work taken since last attending UCF, space and fiscal limitations.

(b) A student who was previously dismissed from his or her graduate program and would like to reapply to the same program must have an approved probation conditional retention plan on file before a readmission decision can be made.

(13) Graduate applicants and graduate readmit applicants may be admitted subject to space and fiscal limitations.

UCF-5.017 Appeals of Graduate Program Actions or Decisions

(1) Review of Academic Performance.

(a) The primary responsibility for monitoring a student’s progress to degree (or program completion) rests with the graduate program, although the College of Graduate Studies also monitors a student’s progress and takes appropriate actions if performance standards as specified by the program and University are not maintained. Satisfactory progress to degree (or program completion) requires an ongoing evaluation of a student’s performance in a program as indicated by satisfactory grades within courses, successful performance on program competency exams, progress in thesis and dissertation research, the maintenance of the standards of academic and professional integrity expected in a particular discipline or program, and any other measures of progress as customarily used in the program. Academic probation or even dismissal of the student from the program may occur when the individual is not making satisfactory progress to degree (or program completion).

(b) A graduate program may also recommend dismissal if the student fails to maintain the standards of academic and professional integrity, meet or exceed the professional competencies of the discipline, or maintain the competence necessary for the welfare of faculty, fellow students, staff, patients, clients, or others encountered in internships, externships, or other classes required by the degree program. A student’s performance in clinical settings may be evaluated by clinical supervisors or other clinicians in conjunction with instructors of record and/or faculty advisors.

(c) A student may be immediately terminated from a clinical assignment and/or graduate program when, in the professional judgment of a qualified clinician, faculty supervisor or instructor of record, client/patient welfare could be at risk. In cases where client/patient welfare could be at risk, graduate programs may forego published procedures for advising, mentoring or probation if documentation from clinical or faculty supervisors indicate immediate action was necessary to protect the welfare of others. When immediate action is taken, the graduate program must inform the student in writing of the action and the reasons for the action. The student may appeal such action as a graduate program action under this Regulation.

(d) Misconduct associated with research or misconduct in laboratory assignments may result in immediate termination from the assignment and/or the graduate program when the misconduct places clients, researchers, subjects or the university at risk.

(e) It is incumbent on the graduate program to give the student an opportunity to discuss the pending action with the program director and provide additional relevant information prior to making a recommendation of probation or dismissal. A student does not have to agree with the action in order for the program to move forward with a recommendation of probation or dismissal.

(f) The Dean of the College of Graduate Studies has final authority over probation and dismissal recommendations and will execute them accordingly.
1. Once dismissed, a student may apply to UCF as a student in another program, or as a non-degree student. Readmitted students are prohibited from taking courses in the program from which they were dismissed.

2. A student can only be reinstated to the previous graduate program by either submitting a new application to the program with a new admissions decision, or through a formal grievance process. (See Grievance Procedures in following section).

(2) **Other Procedures.** Graduate students disputing a graduate program action (including the evaluation of their progress to degree) as described above, have several routes of appeal depending on the nature of the grievance.

(a) In the appeal of a grade in a specific course (excluding thesis or dissertation credit hours) students are referred to Regulation UCF-5.016 for the grade appeal procedures.

(b) For issues resulting from a failure to maintain academic behavior standards such as cheating, plagiarism, etc., students are referred to Regulation UCF 5.015 (and, as appropriate, student conduct review procedures).

(c) Misconduct associated with research will follow procedures determined by the Office of Research and Commercialization.

(d) All other grievances, including the appeal of grades issued in Thesis and Dissertation credit hours, follow the Procedure for Other Grievances of Graduate Students as outlined in this Regulation.

(3) **Applicability of graduate program action appeal procedure:**

(a) This regulation applies to graduate student appeals of decisions made by the College of Graduate Studies, an academic college or graduate degree program based on:

1. Alleged deviation from program or university policies as outlined in the Graduate Catalog or Graduate Program Handbook(s)
2. Alleged errors in application of policies or procedures
3. Alleged probation or dismissal due to non-academic reasons
4. Alleged deviation from the University’s syllabus policy
5. Alleged discrimination and/or sexual harassment in the program, department or college. (An appeal alleging discrimination and/or sexual harassment in the program, department or college will be referred directly to the Office Institutional Equity. The University is entitled to a reasonable period of time to review allegations of discrimination contained in a graduate student appeal, and the University may accordingly extend deadlines applicable to the University for purposes of reviewing such allegations.)

(b) Decisions based on professional judgment of an instructor, faculty member or clinical supervisor in the assignment of a grade or assessment of a student’s performance in a class are excluded from the provisions of this regulation except as noted above. Probation or dismissal due to unsatisfactory performance on competency exams, research, or progress in thesis or dissertation research may not be appealed based on the student’s disagreement with the professional judgment of an instructor, faculty member or advisor. Students may appeal based on alleged errors in process or alleged non-academic reasons.
Students placed on probation or dismissed by the College of Graduate Studies for not maintaining at least a 3.0 GPA may not appeal the academic program or academic college’s decision to not submit a Conditional Retention Plan (CRP). A CRP may be offered to a student when, in the discretion of the academic program, extenuating circumstances warrant such an exception; however, graduate programs are not obligated to provide a CRP.

(4) Procedure for Other Grievances of Graduate Students. Students are entitled to a fair and timely resolution of appeals. This procedure is intended for graduate students having complaints regarding specific actions or decisions by a faculty member, program or college, including termination from an academic program, for reasons that are not covered in Section 2(a)-2(c) above. The graduate student is encouraged to first discuss the matter within the academic unit of the grievance and attempt to resolve the grievance informally. The formal procedure is as follows:

(a) Step 1 - Program and Department Level: The graduate student appealing the decision of a program, must state the nature of the grievance in writing to the graduate program director, including a brief narrative of the grievance, the parties involved, and a statement of the remedy being requested. All appeals must be submitted using the form located at https://graduatecouncil.ucf.edu/appeals-committee. This statement must be submitted by the graduate student within six (6) months of the notification date of the occurrence of the program action being appealed.

(b) Dependent on the nature of the grievance, the graduate program director will in ten business days following receipt of the grievance either make a recommendation about the grievance to the unit head or refer the grievance to the unit/program graduate committee to examine the issue at their next scheduled meeting. The unit/program graduate committee may invite the aggrieved student and others having information about the case to attend the meeting and present information and arguments about the grievance. If so invited, the graduate student can have a personal advisor at the meeting, but the advisor can only confer with the student and not participate in the committee meeting. The unit/program graduate committee will make a recommendation about the grievance to the graduate program director.

(c) The graduate program director will consider the input of the unit/program graduate committee and make a recommendation to the unit head about the grievance. The unit head will then make a final decision about the grievance at the program/unit level and inform the student of the decision within ten business days after receiving the recommendation from the graduate program director.

(d) Step 2 - College Level: Should the graduate student disagree with the decision of the unit head, the student has ten business days to file a written appeal of the decision with the appropriate associate dean or designee of the college (or the Dean of the College of Graduate Studies in the case of interdisciplinary programs with no academic college assigned to oversight of the program). It is incumbent on the student to explain in the appeal why the unit/program decision is in error and should be reexamined. At each appeal level, the basis for the appeal must be the same as the original appeal or must articulate new information discovered as part of the appeal process itself. If the basis for the appeal changes, the student
will be considered to be initiating a new appeal that must begin at the initial level of the appeal process (and which must be timely).

(e) Dependent on the grievance, the associate dean or designee will, in ten business days following receipt of the appeal, either make a recommendation to the college dean about the grievance or refer the grievance to the college graduate committee to examine the issue at their next scheduled meeting. The college graduate committee may invite the aggrieved student and others having information about the case to attend the meeting and present information about the grievance. If so invited, the graduate student can have a personal advisor at the committee meeting, but the advisor can only confer with the student and not participate in the committee meeting. The college graduate committee will make a recommendation about the grievance to the associate dean or designee.

(f) The associate dean or designee after considering the input of the college graduate committee will make a recommendation to the college dean about the grievance. The college dean will then make the final decision about the grievance at the academic college level, and inform the student of the decision within ten business days after receiving the recommendation from the associate dean or designee.

(g) Step 3 - College of Graduate Studies Level: Should the graduate student disagree with the decision of the academic college dean, the student has ten business days following receipt of the college decision to file a written appeal of the decision at the university-level with the Dean of the College of Graduate Studies. It is incumbent on the student to explain in the appeal why the academic college decision is in error and should be reexamined.

(h) Dependent on the appeal, the Dean of the College of Graduate Studies will within ten business days following receipt of the appeal either make a decision about the grievance or refer the appeal to the Appeals Subcommittee of the Graduate Council to examine the issue at a scheduled meeting. The Appeals Subcommittee may invite the aggrieved student as well as others having information about the grievance to attend and present information about the grievance. If so invited, the graduate student can have a personal advisor at the meeting, but the advisor can only confer with the student and not participate in the committee meeting. The Appeals Subcommittee will submit a recommendation to the Dean of the College of Graduate Studies concerning the grievance.

(i) The Dean of the College of Graduate Studies will consider the input of the Appeals Subcommittee of the Graduate Council and make a final decision about the grievance for the university. There is no appeal beyond the level of Dean of the Graduate College as this person is vested with the final authority by the President of the University.

GOVC-5: Amendments to Chapter 5 University Regulations

Meeting Date for Upcoming Action: May 26, 2022

Purpose and Issues to be Considered:
This group of regulations address students' rights and responsibilities and are reviewed annually and updated as needed.

UCF-5.0065 Involuntary Withdrawal Procedures; Mandated Assessment, addresses involuntary withdrawal and mandated assessment processes for students in crisis. The proposed amendments to this regulation include a slight limiting of when the involuntary withdrawal procedure may be invoked, removing unnecessary language from the interim involuntary withdrawal steps, and making some clarifying changes regarding the mandated assessment procedure.

UCF-5.008 Rules of Conduct Appeals, which sets out the student rules of conduct, has been amended to remove University Student Resident Violations, because the standards of the Community Living Guide govern housing matters.

UCF-5.009 Student Conduct Review Process; Sanctions sets out the process for reviewing alleged student rule violations. The only proposed amendment to this regulation is to change the term interim suspension to interim action in paragraph (1).

UCF-5.010 Student Conduct Appeals, which sets out the appeal procedure for a student following a student conduct matter, is amended to remove language concerning matters involving allegations of Title IX Sexual Harassment. Matters involving allegations of Title IX Sexual Harassment are referred to follow University's Title IX Grievance Policy, UCF Policy 2-012.

These regulations were posted online April 25, 2022, for public comment. No comments were received as of the date of submission of these materials.

Involuntary Withdrawal Procedures; Mandated Assessment

(1) Involuntary Withdrawal Procedure.

(a) Introduction.

1. The University of Central Florida is committed to ensuring equality of educational opportunity while cultivating an environment that is safe for the campus community and supportive of student learning. The University will seek to intervene where a student’s behavior interferes with the rights of others within the University community or where the student presents a significant risk of harm to the health, safety, well-being and/or property rights of others. In such situations, safety and security concerns are paramount, and the University must react as promptly as feasible under the circumstances. University officials may consider a number of reasonable security and health and safety measures, including, but not limited to, requesting emergency assistance and seeking psychiatric evaluation, hospitalization, and treatment for mental illness as appropriate under the law. Additionally, the University may determine that it is necessary for the student to be involuntarily withdrawn from the University for the protection of others. This section outlines the procedures to be used by the University in making an involuntary withdrawal decision.

2. This involuntary withdrawal procedure will be applied in a nondiscriminatory manner, and decisions will be based on consideration of the student’s conduct, actions, and statements and not on knowledge or belief that the student has a disability.

3. The purpose of the Involuntary Withdrawal Procedure is for the University to be able to take urgent action when circumstances present a Significant Risk based on reasonably available information at the time. It will be necessary for the University to act promptly and for the benefit of the community as a whole, even if that means that, in consideration of later-presented information, the procedure ultimately concludes in favor of the student’s continued enrollment (with or without conditions). Where the involuntary withdrawal procedure is invoked but the student is permitted to continue enrollment with no conditions, the University will take reasonable steps to assist the student in resuming their academic endeavors with as little disruption as feasible under the circumstances.

(b) Direct Threat and Significant Risk. When a student’s behavior is deemed to pose a direct threat risk to the health and safety of the community, the Associate Vice President and Dean of Students (“Dean of Students”) or their designee may initiate an involuntary withdrawal of the student on behalf of the university. The Dean of Students or designee will consult with the University Crisis Team before a final decision is made on the involuntary withdrawal of the student. A student poses a Direct Threat when the student’s behavior poses a “Significant Risk” to the health or safety of the student or others, or of significant property damage, or of substantial disruption to the lawful activities of others or the educational process or orderly operation of the University, and reasonable modifications of policies, practices, or procedures will not sufficiently mitigate the risk.
Significant Risk is defined as the high probability of harm, threats of harm, or disruption and not just a slightly increased, speculative, or remote risk of such. Significant Risk is identified based on information that is reasonably available at the time of consideration. Information may be provided to the University through different means, including an incident report to Office of Student Rights and Responsibilities (OSRR), a police report, information provided following a hospitalization, or any other reliable source.

(c) Interim Involuntary Withdrawal.
1. A student may be involuntarily withdrawn from the University on an interim basis (“Interim Involuntary Withdrawal”) if the Assistant Dean of Students or designee determines, based upon information reasonably available at the time, that the student poses a Direct Threat as defined above. A student will remain on Interim Involuntary Withdrawal pending the outcome of the Interim Involuntary Withdrawal Review. An Interim Involuntary Withdrawal may be imposed prior to a meeting of the University Crisis Team.
2. A student will be notified of Interim Involuntary Withdrawal through a written notice outlining the Interim Involuntary Withdrawal procedure, including the time, date, and location of the Interim Involuntary Withdrawal Review.
3. A student under Interim Involuntary Withdrawal shall be given an opportunity to present information to the University Crisis Team within three (3) business days from the effective date of the Interim Involuntary Withdrawal, to review the following issues only:
   a. The reliability of the information concerning the student’s behavior and,
   b. Whether or not the student’s behavior poses a Direct Threat, as defined above.
4. Should the student fail to attend the Interim Involuntary Withdrawal review, the review may be held in the student’s absence, and any recommended actions will be made using the information available at the time of the scheduled review.
5. If upon conclusion of the Interim Involuntary Withdrawal review, the University Crisis Team determines the student will remain on Interim Involuntary Withdrawal based on the above defined issues, the University Crisis Team will proceed with the Involuntary Withdrawal procedures as outlined below.

(d) Involuntary Withdrawal – Notice to Student. A student subject to Involuntary Withdrawal is entitled to the following:
1. Notice of intent to remove the student pursuant to this policy stating the reasons for the proposed action.
2. The opportunity to examine the psychiatric or other evaluations provided to the University Crisis Team and to discuss them.
3. The opportunity to present relevant information for consideration of their case personally, or by a licensed mental health professional working with that student, if the student is not capable of self-representation.
4. The opportunity to have an advisor of the student’s own choice accompany the student to any meetings or proceedings described in this procedure. The advisor may not present on behalf of the student or otherwise participate in the meeting or proceeding.

5. The right to appeal.

(e) Involuntary Withdrawal – Meeting of the University Crisis Team. The Assistant Dean of Students or designee will call a meeting of the University Crisis Team no earlier than five (5) business days after notifying the student of the proposed Involuntary Withdrawal. The student will be notified of the time, date, and location of the University Crisis Team meeting. The student may be present at this meeting and may present information in support of themselves. Following the student’s presentation, the team shall meet in a confidential deliberation. At the conclusion of this confidential deliberation, the team shall make a recommendation to the Dean of Students or designee, based upon the Team’s review of all available information at the time of the meeting, as to whether the University should:

1. involuntary withdraw the student due to Direct Threat;
2. make no changes to the student’s status;
3. allow continued enrollment with conditions; or
4. if the student is on Interim Involuntary Withdrawal at the time, reinstate the student with or without conditions.

(f) Involuntary Withdrawal – Notifying Student of Recommendation and Decision. The Dean of Students or designee will make a final decision regarding the student’s enrollment status based on the totality of information available to the University and considering both the University Crisis Team’s recommendation and any information presented by the student. The Dean of Students or designee will notify the student in writing within two business days of the final decision regarding the student’s enrollment status.

(g) Involuntary Withdrawal Appeal – In the event a student disagrees with the decision of the Dean of Students or designee, the student may appeal the decision. The appeal must be made in writing to the Vice President for SDES, or designee, within three (3) business days after the date of the notification to the student of the decision. A student may appeal the decision based on one or more of the following criteria:

1. Irregularities in fairness and stated procedures that could have affected the outcome of the decision.
2. Discovery of new and significant information that could have affected the outcome and that was not known or could not reasonably have been discovered and/or presented at the time of the meeting.
3. The outcome is extraordinarily disproportionate to the reported behavior.

The Vice President of SDES or designee, shall, within three (3) business days, sustain the initial decision or return the case to the University Crisis Team for reconsideration. Should the appellate officer require additional time for review beyond the three (3) business days, the appellate officer shall notify the student in writing of the need for additional time. The Vice President’s decision to sustain
the initial decision is final action. If the matter is returned for re-consideration, the process will resume at the step outlined in subsection (e), above.

(h) Upon being involuntarily withdrawn, the student may no longer enroll in classes, may not be an active member of a registered student organization, may no longer use University facilities, must vacate University owned housing, may no longer be permitted on University property, and may not be employed by UCF. Additionally, an involuntarily withdrawn student may be entitled to whatever refunds of tuition, fees, and room and board charges as would be appropriate given the timing of the withdrawal.

(i) Students who are involuntarily withdrawn from the University shall have a hold placed on their records, which will prevent them from being readmitted or reenrolled at the institution except as stated in this paragraph. A student may request readmission or reenrollment at the University and provide the Dean or Students or designee with documentation from an appropriate healthcare provider of their choice who has conducted a proper assessment of the student and concluded that the student is ready and able to safely return to the University and does not pose a Direct Threat as defined above. In cases where the Dean of Students or designee has imposed other conditions for readmission, it is the responsibility of the student to provide documentation of compliance with such conditions.

(j) A student who is considered for but ultimately not subject to Involuntary Withdrawal may be subject to conditions on continued enrollment at the University. In such cases, the student will be provided with a written summary of any such conditions and must meet all conditions in order to maintain student status. A student who fails to meet such conditions may be later subject to involuntary withdrawal by the Dean of Students or designee or may be subject to charges through the University’s Student Conduct Review Process for failure to comply.

(k) The current voluntary medical withdrawal process should not be used to handle withdrawals where a Direct Threat is evident or where a violation of the Rules of Conduct has allegedly occurred. Information for students seeking a medical withdrawal is available in the Catalog.

(l) As a general principle, the University prefers to use the Student Conduct Review Process in instances of misconduct, without regard to whether the student has a physical or mental condition that might be contributing to the misconduct. The Involuntary Withdrawal Procedure is to be employed in those situations in which the regular Student Conduct Review Process is not applicable or, due to safety concerns, cannot be applied in a sufficiently timely fashion.

(2) Mandated Assessment Procedure. This University procedure is established to respond to behaviors or actions that result in hospitalization from imminent danger to self or others via the Baker Act (F.S. 394.463) or Marchman Act (Chapter 397, Florida Statutes F.S. 397.6811), or significant acts or threats of violence to others, chronic eating disorders, dramatic and/or expansive displays of self-mutilation, behaviors that are significantly disruptive to the UCF community and/or diminish the ability of a student to care for oneself. Whenever the UCF Police provide transportation of a UCF student to the hospital for involuntary examination, the
police will file a report with the OSRR Student Care Services. In addition, anyone may also file reports about students of concern with Student Care Services.

(a) Once a report is received regarding a UCF student hospitalization via the Baker Act or the Marchman Act, Student Care Services may utilize the mandated assessment session(s) to evaluate a student’s risk of harm to self or others, and to take appropriate actions to ensure for the safety of the student or others if risk is present. In addition, the mandated assessment session(s) are designed to assist students in developing a safety and/or well-being plan and provide students with educational resources. A member of Student Care Services will contact the student in a timely manner and require an initial meeting between a Student Care Services staff member and the student to discuss the mandated assessment procedure, inform the student of their rights and responsibilities regarding the incident.

(b) All students identified as threatening self-harm or having attempted suicide must complete a mandated assessment with a licensed mental health professional and/or a physical assessment with a licensed medical provider. Examples of a licensed mental health professional include a Student Health Services psychiatrist, a Counseling and Psychological Services clinician, or a community based licensed mental health professional or licensed psychiatrist of the student’s choice. Student Care Services will require proof of participation for the mandated assessment with a licensed mental health professional and/or proof of a physical assessment with an appropriate medical provider. The student must meet with Student Care Services within ten (10) business days following release of hospitalization to complete a follow up appointment. Student must provide proof of mandated assessment within twenty (20) business days following release of hospitalization or prior to return to the University (in the event a student withdraws for the remainder of the semester or is placed on Medical Withdrawal). Failure to comply may result in disciplinary action or the convening of the University Crisis Team.

(c) In cases where more protective action is needed based on more severe behavior/conduct (e.g., behavior endangering others, threats to harm others, behavior significantly disruptive to the UCF community), the Assistant Dean of Students or designee may initiate one or both of the following:

1. Interim Suspension Action followed by initiating the Student Conduct Review Process;

2. Convening of the University Crisis Team to consider the initiation of the Involuntary Withdrawal Procedure.

These Rules of Conduct should be read broadly and are not designed to define prohibited conduct in exhaustive terms. Additional rules and regulations may be revised during the year; announcements will be made on adoption of the changes or additions. The right of all students to seek knowledge, debate ideas, form opinions, and freely express their ideas is fully recognized by the University of Central Florida. UCF-5.009 Student Conduct Review Process; Sanctions

(1) Violation Reports. Alleged violations of the UCF Rules of Conduct shall be reported in writing to the Director of the Student Conduct and Academic Integrity (SCAI) or designee. Upon receiving an alleged violation of misconduct, the Director of SCAI or designee may review relevant information and consult with relevant parties regarding the incident in question. Where deemed necessary to protect the safety and well-being of others, of the University, or of property, the Director of SCAI or designee, upon notifying the VP of SDES or designee, may take immediate action to resolve the safety and/or well-being concern by placing the student on interim suspension action. Interim suspension action is not a sanction. An interim suspension action is subject to review at a hearing within three (3) business days by the VP of SDES or designee to determine the status of the interim suspension action. The outcome of an interim suspension action hearing shall remain in effect until the final disposition of any formal charges resulting from the circumstances of the case, unless the VP of SDES or designee shall decide otherwise.

(a) The Director of the SCAI will refer all information warranting disciplinary action and assign the case to the appropriate staff member. SCAI will send written notification to the charged student indicating the nature of the activity in question and what university rules were allegedly violated.

(b) Upon receipt of an incident report SCAI has six (6) months to charge a student with a violation of the Rules of Conduct. SCAI may exercise discretion when applying the time provision to account for circumstances that warrant a waiver of the six-month time limit. SCAI will waive the six-month limit in cases involving sexual harassment, dating violence, domestic violence, and stalking and may waive the time limit for other extraordinary cases, as determined by the Director of SCAI or designee.

(c) Students charged with alleged violations of the Rules of Conduct will receive notice to attend a required preliminary conference with SCAI to discuss the charges. At the preliminary conference, the student will receive information regarding the Student Conduct Review Process, including the student’s rights during the process, an opportunity to inspect and/or review the information known at the time, and notice on how to contact the Student Government Judicial Advisor. At the conclusion of the conference, SCAI recommends an option for resolution of the disciplinary charges. If the student fails to attend the preliminary conference, a hold may be placed on the student’s record, preventing them from registering for future classes until the matter is resolved, and SCAI may move forward with scheduling a formal hearing as a resolution for disciplinary charges. Students who leave the university or withdraw from a class before a disciplinary matter is resolved may be prohibited from future enrollment until such time as the matter is resolved.

(2) Options for Resolution of Disciplinary Charges.

(a) Case Dismissal: The Director of SCAI or designee may dismiss a case if it is found to not have sufficient facts or information to substantiate the claim of misconduct, the accused person is not a student, or the action claimed as misconduct is not a violation of the Rules of Conduct.

(b) Mediation: Depending on the nature and severity of the alleged violation, SCAI may recommend mediation as an alternative to disciplinary action. The involved
parties must each agree to mediation. Mediation is confidential. In mediation, the
parties voluntarily meet with an impartial mediator to communicate their concerns
and needs to each other and to reach their own agreement on the resolution of the
case. The participants in mediation are responsible for keeping their agreement or
renegotiating it, if necessary. In the event that the participants do not agree to
mediate or mediate but do not reach a full and final resolution, the case will be
referred back for possible disciplinary action. Breach of a mediated agreement may
result in a follow up mediation session or the matter may be referred back through
the conduct process at the discretion of SCAI. Mediation will not be a resolution
option for cases involving allegations of incidents of sexual misconduct and/or
interpersonal violence.

c) Informal Resolution Conference: At the discretion of SCAI, violations found not to
warrant a formal hearing may be referred to an informal resolution conference.
SCAI shall provide timely written notice to the student of the charges at least seven
(7) business days before the informal resolution conference. At the informal
resolution conference, the charged student has the opportunity to meet with an
SCAI member or designee and accept responsibility for the charges of violation of
the Rules of Conduct. At the informal level, the matter will be settled by the
following outcomes: punitive sanction (Disciplinary Warning, Disciplinary
Probation, or Disciplinary Deferred Suspension) as well as educational sanctions
(papers, seminars, community service, etc.). If the matter is not resolved
informally, the case will be resolved through a formal hearing. The outcomes from
an informal resolution conference (decision of responsibility and recommended
sanctions) are final and are not eligible to be appealed (UCF-5.010). The student
will receive written notice of the Resolution Agreement within ten (10) business
days of the conference, except in the case of extraordinary circumstances. Written
notice of the Resolution Agreement will include the determination regarding
responsibility for conduct violations and applicable sanctions.

d) Formal Hearing: If an alleged violation of the Rules of Conduct is not dismissed or
otherwise resolved, then SCAI shall provide timely written notice to the student of
the charges at least seven (7) business days before the formal hearing. Except as set
forth in (5) below, the charged student may request either a panel or administrative
hearing. The charged student’s hearing shall be open only to the charged student;
the charged student’s advisor, advocate, or legal representative; the hearing body;
witnesses (when called upon); a representative from SCAI; and a legal
representative for the University. For cases of sex-based misconduct (non-Title IX
Sexual Harassment), the hearing shall also be open to the complainant and advisor.
For cases of Title IX Sexual Harassment, the hearing shall also be open to the
complainant, advisor, and support person. In cases of alleged Academic
Misconduct, the student is required to have an academic integrity hearing as stated
in UCF-5.015.

(3) Formal Hearings. There are two types of formal hearings – panel hearings and
administrative hearings.

(a) Panel Hearings.

1. A panel to consider an individual case shall be randomly selected by SCAI
from the Student Conduct Board and shall consist of two (2) faculty and
administrative staff members combined, and two (2) student members. One
panel member shall be selected by SCAI to chair the hearing and report the proposed finding(s) and recommended sanctions, if any, to the Director of SCAI or designee.

2. At hearings conducted by a panel, an SCAI staff member shall act as an advisor to the panel. The Director of SCAI or designee shall receive the panel’s proposed finding(s) as to "in violation" or "not in violation" of the Rules of Conduct, and consider any sanctions proposed by the panel.

3. The Director of SCAI or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of SCAI or designee accepts the proposed finding(s) of “in violation,” they may approve, mitigate, or increase the sanctions proposed by the panel.

4. Any decision by the Director of SCAI or designee to alter proposed sanctions or remand a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(b) Administrative Hearings

1. Administrative hearings shall be conducted by one faculty or staff member selected by SCAI from the Student Conduct Board.

2. At hearings conducted by an administrative hearing officer, an SCAI staff member shall act as an advisor to the administrative hearing officer. The Director of SCAI or designee shall receive the administrative hearing officer’s proposed finding(s) as to "in violation" or "not in violation" of the Rules of Conduct, and consider any sanctions proposed by the administrative hearing officer.

3. The Director of SCAI or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of SCAI or designee accepts the proposed finding(s) of “in violation,” they may approve, mitigate, or increase the sanctions proposed by the administrative hearing officer.

4. Any decision by the Director of SCAI or designee to alter sanctions or remand a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(c) Conduct of Formal Hearings - The following is furnished as a guide to the sequence of events in a formal hearing. The formal hearing will be recorded by the University, and no other recordings are permitted. The recording will be made part of the official record of the hearing.

1. Reading of charges.
2. Charged Student response of “in violation” or “not in violation.”
3. Presentation of information in support of the charges.
4. Opening statement by the charged student.
5. Questioning of the charged student.
6. Presentation and questioning of all other parties.
7. Final questions of the charged student by the hearing body.
8. Closing remarks by the charged student.
9. Hearing is brought to a close.

(d) Deliberations by the hearing body are not part of the hearing and are confidential. Deliberations occur after the closure of the hearing and are not recorded. Following
deliberations, the hearing body will prepare a written statement of its proposed finding(s) and, if applicable, recommend sanctions.

(e) Case Record for Formal Hearing - The case record shall consist of the following items:
1. A copy of the formal charges in writing.
2. A recording of the formal hearing.
3. All staff memoranda submitted.
4. All items of physical or written documentation submitted, provided such items are not returned to a rightful owner. In that case, photographs or other facsimiles shall be made before return.
5. The proposed finding(s) and sanction(s) by the hearing panel or administrator, if any.
6. The Director of SCAI’s or designee’s decision.

(f) Student Conduct Board members for panel and administrative formal hearings are selected through an annual application and interview process with the exception of the justices from the Student Government Judicial Branch. All Student Conduct Board members, including justices, receive annual training from SCAI. Student Conduct Board members who serve on hearings related to allegations of sexual discrimination, including but not limited to relationship violence, sexual assault, sex harassment, and stalking receive additional training annually.

(4) Student Rights in the Student Conduct Review Process. The following rights apply to a student disciplinary proceeding:

(a) The charged student shall be afforded timely written notice, at least seven (7) business days prior to each disciplinary proceeding, unless waived in writing. Written notice may be sent to the charged student’s electronic and/or physical address listed in the Registrar’s records. Written notice shall include:
1. The student’s name and address.
2. Date, time, and location of the disciplinary proceeding.
3. The rule(s) of conduct allegedly violated as known at the time the notice is sent.
4. A listing of all known witnesses that have provided, or will provide, information against the student.
5. A description of any physical or written documentation known at the time the notice is sent.

(b) The student may have, at their own expense and initiative, an advisor, advocate, or legal representative to be present and who can fully participate in the disciplinary proceeding (i.e., informal resolution conference or formal hearing). It is the student’s responsibility to make appropriate arrangements for the advisor, advocate, or legal representative to attend the preliminary conference or disciplinary proceeding(s), and the disciplinary proceeding(s) shall not be delayed due to scheduling conflicts of the chosen advisor, advocate, or legal representative. An advisor, advocate, or legal representative may not serve as a witness during any a disciplinary proceeding. The student may consult with their advisor, advocate, or legal representative at any time during the preliminary conference or disciplinary proceeding(s). This consultation must take place in a manner that does not disrupt the preliminary conference or disciplinary proceeding(s). If the advisor, advocate, or legal representative does not adhere to
their defined role in the Student Conduct Review Process, they may be removed from the disciplinary proceeding.

(c) The Student Conduct Review Process shall be conducted on the basis that the charged student is not in violation until the preponderance of evidence proves otherwise, except if the student accepts responsibility for the charge(s). The technical rules of evidence applicable to civil and criminal cases shall not apply to the Student Conduct Review Process, including during a formal hearing. The burden of proof is not on the student charged with a violation of the Rules of Conduct. The university has the burden to prove, by a preponderance of the evidence, that a violation has taken place. Nothing contained in this paragraph prohibits or limits the University in offering other forms of resolution, such as mediation or informal resolution.

(d) The student shall have the right to an impartial hearing officer for the formal hearing. Prior to the commencement of the formal hearing, the charged student shall have the opportunity to challenge the impartiality of any member(s) of the hearing body. If the student shows good cause for the removal of any member(s) of the hearing body, the Associate Vice President and Dean of Students or designee will assign a new hearing body member.

(e) At least five (5) business days before the informal resolution conference or formal hearing, the University will provide the student with the opportunity to inspect all known information relating to the allegation(s), including inculpatory and exculpatory information. The University also has the right to review any information the student intends to use at the informal resolution conference or formal hearing at least five (5) business days before the informal resolution conference or formal hearing. During a formal hearing, only such information that is determined to be “Relevant Information” will be allowed.

(f) The University cannot compel any person to attend a formal hearing. However, all parties may arrange for witnesses to voluntarily present Relevant Information during the proceeding. The questioning of a witness shall be facilitated by the hearing officer or panel conducting the formal hearing.

(g) The student shall not be forced to present self-incriminating information during a disciplinary proceeding. In addition, the student reserves the right to remain silent. Such silence may not be used against the student. The University is not required to postpone any disciplinary proceeding(s) pending the outcome of any civil or criminal case. The University’s formal hearing is not a criminal or judicial proceeding and is designed to address student behavior; therefore, alleged violations of the UCF Rules of Conduct will be addressed independently of any outcome imposed by the courts for a criminal offense.

(h) The proposed finding, as well as the Director of SCAI’s or designee’s determination, of “in violation” or ”not in violation” on the charges shall be based solely on the information presented at the formal hearing.

(i) Should the student fail to attend the scheduled formal hearing, the hearing will be held in the student’s absence and the proposed findings, including any recommended sanctions, will be made using the information available at the time of the scheduled formal hearing.

(j) Only if the proposed finding of the formal hearing body is that the student is in violation, will prior conduct history be reviewed and potentially affect proposed sanctioning.
The results of any formal hearing shall be made available to the charged student within ten (10) business days following the hearing. Should SCAI need additional time, the deadline can be extended by the Director of SCAI or designee by notifying the charged student. For academic integrity cases, the results of any formal hearing shall be made available to the charged student within fifteen (15) business days following the hearing. The Director of SCAI or designee shall notify the charged student in writing of the need for additional time.

The student’s enrollment status shall remain unchanged pending the University’s final agency action in the matter, except in cases where the VP of SDES or designee determines that the safety, health, or general welfare of the student, any individual, or any part of the University may be involved.

(5) Additional Procedures in Cases of Sex-Based Misconduct and Title IX Sexual Harassment

(a) In cases involving sex-based misconduct or Title IX sexual harassment, a single hearing officer will be the only option for a formal hearing.

(b) Where a student is charged with a violation of UCF-5.008(5), the procedures outlined in UCF-5.006(6) and UCF Policy 2-004 will apply in addition to the procedures of the Student Conduct Review Process outlined above.

(c) Where a student is charged with Title IX Sexual Harassment as prohibited under UCF-5.008(6), the procedures outlined in UCF-5.006(7) and the Title IX Grievance Policy (University Policy 2-012) will apply in place of the procedures of the Student Conduct Review Process outlined above, except that UCF-5.009(4)(a) and (e) will apply, and the sanctions outlined below may be applied to violations of UCF-5.008(6) Title IX Sexual Harassment.

(d) The sanctions outlined below may be applied to violations of UCF-5.008(5) Sex-Based Misconduct (non-Title IX) and UCF-5.008(6) Title IX Sexual Harassment.

(6) Sanctions.

(a) Disciplinary Warning - An official warning that the student’s behavior is in violation of the UCF Rules of Conduct.

(b) Disciplinary Probation – Disciplinary Probation status shall be for a specific length of time in which any further violation of the Rules of Conduct puts the student’s status with the University in jeopardy. While on Disciplinary Probation, the student may continue to attend classes and is given a chance to show capability and willingness to live in accordance with the Rules of Conduct. If the student is found “in-violation” for another violation of the Rules of Conduct, while on Disciplinary Probation, more severe sanctions may be imposed. Restrictive conditions may be imposed and vary according to the severity of the offense. A non-exhaustive list of possible restrictive conditions shall be listed on the SCAI website (scai.sdes.ucf.edu). Student leadership eligibility shall be governed by the eligibility requirements outlined by the Office of Student Involvement and their eligibility appeal process. While on Disciplinary Probation, a hold will be placed on a student’s record for record keeping purposes.

(c) Deferred Disciplinary Suspension - Deferred Disciplinary Suspension is a designated period of time during which a student is given the opportunity to demonstrate the ability to abide by the Rules of Conduct. Deferred Disciplinary Suspension is used for offenses found serious enough to warrant Disciplinary Suspension, but where the specific circumstances of the case mitigate the offense or
for repeated offenses of a less serious nature. During a Deferred Disciplinary Suspension, the student will be officially suspended from the university, but the suspension will be deferred, meaning that the student may continue to attend classes. Students placed on Deferred Disciplinary Suspension will have a conduct overlay placed on their transcripts for the period of time that the Deferred Disciplinary Suspension is in effect. The conduct overlay is a notation indicating that the student is not in good standing. Restrictive conditions may be imposed and vary according to the severity of the offense. A non-exhaustive list of possible restrictive conditions shall be listed on the SCAI website (scai.sdes.ucf.edu). Student leadership eligibility shall be governed by the eligibility requirements outlined by the Office of Student Involvement and their eligibility appeal process. A disciplinary suspension will be enforced for failure to complete any assigned educational sanctions by the deadline(s) and/or for any subsequent violation of the Rules of Conduct, unless the Director of SCAI determines otherwise in exceptional circumstances. If the student is found in violation for any violation(s) of the Rules of Conduct that occurred while on Deferred Disciplinary Suspension status, including failure to complete any assigned educational sanctions by the deadline(s), the student will be suspended for a minimum of one (1) semester, in addition to the educational sanctions imposed for the subsequent violation. While on Deferred Disciplinary Suspension, a hold will be placed on a student’s record for recordkeeping purposes.

(d) Disciplinary Suspension - A student involved in an offense warranting consideration of action more serious than Deferred Disciplinary Suspension or one involved in repeated misconduct may face Disciplinary Suspension. During the period of Disciplinary Suspension, a student may not be enrolled in classes, participate in University related activities, whether they occur on or off campus. A student under Disciplinary Suspension may not otherwise be present on University premises unless authorized in writing in advance under conditions approved by the Director of SCAI. Upon being withdrawn, the student may no longer enroll in classes, may not be an active member of a Registered Student Organization, may no longer use university facilities, must vacate university owned housing, may no longer be permitted on university property, may not be employed by the University, and may be entitled to whatever refunds of tuition, fees, and room and board charges as would be appropriate given the timing of the withdrawal. In determining if and to what extent suspended students shall be authorized to be on University premises, the Director of SCAI or designee shall consider whether the suspension creates an undue hardship on the disciplinary suspended student. Students placed on Disciplinary Suspension will have a conduct overlay placed on their transcript for the period of time that the Disciplinary Suspension is in effect. The conduct overlay is a notation indicating that the student is not in good standing. Further, while on Disciplinary Suspension, a hold will be placed on a student’s record for record keeping purposes. All assigned educational sanctions must be completed prior to the conclusion of Disciplinary Suspension; otherwise, the Disciplinary Suspension will remain in effect.

(e) Disciplinary Dismissal – Disciplinary Dismissal is a sanction which removes the student from the individual’s academic program and separates the student from the University for a period of at least two years and up to seven years. A dismissed student has none of the rights or privileges of a student of the University.
Following Disciplinary Dismissal, the individual must apply for readmission to the University. Readmission is possible but not guaranteed and will only be considered after the two-to-seven-year time allotted from the effective date of the Dismissal, based on meeting all readmission criteria and obtaining clearance from the Associate Vice President and Dean of Students or designee. This may include restricted access to campus and/or other specified activities. Students placed on Disciplinary Dismissal will have a conduct overlay placed on their transcript for the period of time that the Disciplinary Dismissal is in effect. The conduct overlay is a notation indicating that the student is not in good standing. Further, while on Disciplinary Dismissal, a hold will be placed on a student’s record for record keeping purposes. All assigned educational sanctions must be completed prior to the conclusion of Disciplinary Dismissal; otherwise, the Disciplinary Dismissal will remain in effect.

(f) Delayed Issuance of Diploma: The issuance of a student’s diploma from the University of Central Florida will be withheld until the completion of a stated time frame and all educational sanctions imposed through the Student Conduct Review Process.

(g) Delayed Conferral of Degree – The Administrative process of a student’s degree being conferred through the University’s Registrar’s Office will be delayed. This means the student’s degree will not be awarded until the completion of a stated time frame and all educational sanctions imposed through the Student Conduct Review Process.

(h) Disciplinary Expulsion – Disciplinary Expulsion is a sanction which removes the student from the individual’s academic program and permanently separates a student from the University without opportunity to graduate or re-enroll at the university in the future. An overlay will be permanently placed on the student’s record. Further, a hold will be permanently placed on a student’s record for record keeping purposes.

(i) Educational Sanctions - In conjunction with a sanction listed above, a student found to have been in violation of any of the Rules of Conduct will be assigned educational requirements such as, but not limited to, reflective/research papers, classes/seminars, interviews, etc. Educational sanctions are intended to provide a student with opportunities to repair the harm of their actions and to engage in meaningful developmental experiences that will help the student in avoiding future violations of University policy.

UCF-5.010  Student Conduct Appeals

(1) Appeals within the Student Conduct Review Process

(a) Students found in violation as a result of a formal hearing may appeal the finding(s) and sanction(s) imposed. The appeal must be made in writing to the Appellate Officer (VP of SDES or designee) within ten (10) business days after the date the student was notified of the decision by the Director of Student Conduct and Academic Integrity (SCAI) or designee. The person designated to hear the appeal may not have directly participated in any other proceeding related to the charged violation. The appeal form can be found at http://scai.sdes.ucf.edu/process.

(b) Students may appeal the finding and sanction(s) imposed on the basis of one or more of the following:

1. Irregularities in fairness and stated procedures of the hearing that could have affected the outcome of the hearing.
2. Discovery of new and significant information that could have affected the outcome of the hearing and that was not known or could not reasonably have been discovered and/or presented at the time of the initial hearing.
3. The sanction(s) are extraordinarily disproportionate to the violation(s).

(c) On the appeal form, the student must state the reason(s) for appeal, the supporting facts, and the recommended solution. This is not a re-hearing of the conduct case. An appeal cannot be filed simply because a student is dissatisfied with the decision. Failure to describe the nature of the information in full detail in the appeal letter will result in the denial of an appeal.

(d) The appellate officer shall first determine if sufficient grounds for appeal exist and then, if so, the appellate officer may: deny the appeal, thus sustaining the initial decision; alter the sanction(s); or return the case for a new hearing. Any decision by the appellate officer to alter sanctions or return a case for new hearing shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(e) The appellate officer should issue a written decision to the student’s appeal within twenty (20) business days of receipt of the appeal. Should the appellate officer require additional time for review beyond the twenty (20) business days, the appellate officer shall notify the charged student in writing of the need for additional time. Decisions of the appellate officer reflect final agency action.

(f) Any decision by an appellate officer to alter sanctions or return a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(g) SCAI cannot place an overlay on the student’s record until the appeal decision is completed or if the student chooses not to appeal. At such time, if appropriate, a hold and/or overlay, is placed on the student’s record. If the appellate officer upholds the original findings, the effective date of any disciplinary sanction(s) imposed will revert back to the date of the Director of SCAI’s or designee’s final decision letter.
Requests for Appeals within the Student Conduct Review Process for Cases Involving Sex-Based Misconduct and/or Title IX Sexual Harassment

(a) Complainants and Respondents in matters involving allegations of Sex-Based Misconduct and/or Title IX Sexual Harassment (as defined in Regulation UCF-5.008(5) and UCF-5.008(6)) may appeal the finding(s) and sanction(s) imposed from a student conduct formal hearing. The appeal must be made in writing to the Appellate Officer (VP of SDES or designee) within ten (10) business days after the date both the Respondent and Complainant are notified of the decision by the Director of SCAI or designee. The person designated to hear the appeal may not have directly participated in any other proceeding related to the charged violation. The appeal form can be found at https://scai.sdes.ucf.edu/student-appeal/.

(b) In cases charged under 5.008(5), Complainants and Respondents may appeal the finding and sanction(s) imposed on the basis of one or more of the following:
1. Irregularities in fairness and stated procedures of the hearing that could have affected the outcome of the hearing.
2. Discovery of new and significant information that could have affected the outcome of the hearing and that was not known or could not reasonably have been discovered and/or presented at the time of the initial hearing.
3. The sanction(s) are extraordinarily disproportionate to the violation(s).

(c) In cases charged under 5.008(6), Complainants and Respondents may appeal the finding and sanction(s) imposed on the basis of one or more of the following:
1. Procedural irregularity that materially affected the outcome of the matter (i.e., a failure to follow the University’s own procedures).
2. New evidence that was not reasonably available at the time the Determination of Responsibility, or dismissal was made, that could materially affect the outcome of the matter.
3. The Decision-Maker(s) had a conflict of interest or bias for or against an individual party, or for or against Complainants or Respondents in general, that materially affected the outcome of the matter.
4. The sanction(s) are extraordinarily disproportionate to the violation(s), criteria as defined in the University’s Title IX Grievance Policy, UCF Policy 2-012.

(d) On the appeal form, the student must state the reason(s) for appeal, supporting facts, and the recommended solution. Failure to describe the nature of the information in full detail in the appeal letter will result in the denial of the appeal.

(e) The appellate officer shall first determine if sufficient grounds for appeal exist and then, if so, the appellate officer may: deny the appeal, thus sustaining the initial decision; alter sanction(s); or return the case for a new hearing.

(f) The appellate officer should issue a written decision to the student’s appeal within twenty (20) business days of receipt of the appeal. The written decision shall be issued to both the Complainant and the Respondent. Should the appellate officer require additional time for review beyond twenty (20) business days, the appellate officer shall notify the Complainant and Respondent in writing of the need for additional time. Decisions of the appellate officer reflect final university action.
Any decision by an Appellate Officer to alter sanctions or return a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(3) Appeals within the Student Conduct Review Process for Title IX Sexual Harassment Complainants and Respondents in matters involving allegations Title IX Sexual Harassment are to follow University’s Title IX Grievance Policy, UCF Policy 2-012 which outlines the rights, including appeals rights, for both parties.

(34) Community ReEngagement and Educational Development (CREED) Program

(a) The Community ReEngagement and Educational Development (CREED) Program is designated for a student to have the opportunity to demonstrate that in the period following the conclusion of the Student Conduct Review Process, they have taken steps to become a productive and engaged member of the UCF Community.

(b) Upon completion of one semester of Disciplinary Probation, Deferred Disciplinary Suspension, or Disciplinary Suspension and completion of all educational sanctions, a student can request a review of their disciplinary status through the Community ReEngagement and Educational Development (CREED) Program. Students who have a Z Designation on their transcript are eligible to apply once the duration of their Disciplinary Suspension has ended and all educational sanctions are complete.

1. Students who have been found In Violation of a Rule of Conduct that required an investigation by the Office of Institutional Equity (OIE) are ineligible to apply for relief under the CREED Program.

2. Students who have been found In Violation of a Rule of Conduct that had a substantially negative impact on a person or group of people, as determined by SCAI, are ineligible to seek relief under the CREED Program.

(c) Requests must be submitted to the Director of SCAI or designee via an online CREED Program submission form available at www.scai.sdes.ucf.edu/creed. This request can only be submitted once a semester.

(d) The Director of SCAI or designee will review applications submitted before the semesterly deadline(s) during the application review period(s). Information on application deadlines and review periods can be found at https://scai.sdes.ucf.edu/creed-program/. The Director of SCAI or designee shall conduct a preliminary review to ensure that the student’s request meets the necessary eligibility and application requirements. The Director of SCAI or designee must communicate the finding of the preliminary review of the application as well as the date and time of the CREED Review Meeting that has been scheduled for a committee to conduct a review of the student’s application, if applicable. The student has three (3) business days from when the Director of SCAI or designee sent their preliminary findings to request an alternate date and time of the CREED Review Meeting.

(e) Prior to this meeting, the committee will have reviewed the submitted packet and will prepare questions for the student to address, as well as provide the student with the opportunity to further discuss why their disciplinary status should be altered or terminated or why the Z Designation should be removed from the
student’s transcript. No alterations shall be made to include new or increased sanctions. Should the committee feel that further information and/or documentation is necessary in order to render a recommendation, the review may be temporarily recessed. The student will be given ten (10) business days to produce the information and/or documentation. Upon receipt of the requested information and/or documentation, the committee will reconvene the CREED Review Meeting with the student.

(f) After the meeting, the committee will issue a recommendation to the Director of SCAI or designee. The Director of SCAI or designee will provide a final decision to the student in writing within ten (10) business days of receiving the recommendation.

(g) If the request is denied by the Director of SCAI or designee the final decision shall include a concise and explicit written statement that explains the basis for that decision and suggested action items for the student’s success.

(h) There is no appeal process for a CREED Review Meeting decision.

(45) Sealing of Records

(a) A student’s conduct record is eligible to be sealed if the incident(s) in question are minor and do not result in disciplinary suspension, disciplinary dismissal, or disciplinary expulsion and/or if the student is not current on disciplinary probation or deferred suspension with all educational sanctions completed in full.

(b) A student conduct record may be sealed upon the successful submission and review of appropriate paperwork to SCAI.

(c) The factors influencing the decision by the Director of SCAI for sealing are the severity of the violation, effect of the violation on the University community, sanctions applied, completion of sanctions, and ethical development demonstrated by the student.

(d) There is no appeals process regarding student conduct record sealing.

GOVC-6: Amendments to University Regulations UCF-6.007 Traffic/Parking Regulation and Enforcement and UCF-6.008 Vehicle Registration Fees; Parking Violation Fines

Purpose and Issues to be Considered:
The University proposes to amend two University Regulations related to parking. Regulation UCF-6.007 Traffic/Parking Regulation and Enforcement is amended to add new language introducing virtual permits for students, employees, and campus visitors. Virtual permits will now be the primary parking permit format for all vehicles, except for those who are unable to register online. New language has also been added for electric vehicles and to update the language for high efficiency vehicles. Regulation UCF-6.008 Vehicle Registration Fees; Parking Violation Fines is amended to reflect a shift in permit periods from semesters to calendar periods, and to incorporate virtual permits that are being implemented this year for all campus parking. Additionally, language has been added for one new parking violation and for new types of daily visitor permits.

These regulations were posted online April 25, 2022, for public comment. Two comments were received as of the date of submission of these materials and were addressed with the commenters without any recommendation for change to the regulation language.

Background Information:
Florida Board of Governors Regulation 1.001 provides that “Each Board of Trustees is authorized to promulgate university regulations in accordance with the Regulation Development Procedure adopted by the Board of Governors.” University Regulation UCF-6.008 is a select regulation and will also be submitted to the Board of Governors for approval after approval by this Board.

2. In the case of a vehicle not so registered, assessments for parking violations shall be made against the operator if it is determined that the operator at the time of the violation is associated with the university and, in fact, should have registered the vehicle with the Department of Parking and Transportation.
3. If a vehicle is not registered with the university and the operator is not associated with the university, fines will be assessed against the vehicle’s state registration vehicle certificate holder.

(e) Responsibility – Unless otherwise noted, the Department of Parking and Transportation is responsible for the implementation and enforcement of this regulation and for resolution of disputes with regard to the university’s parking and traffic regulations.

(f) Authorizations.
1. Operation of a motor vehicle upon any UCF campus is a privilege granted by the university. All vehicles parked on any university campus must be currently registered with the Department of Motor Vehicles and display a valid license tag. UCF adheres to Florida State Statutes regarding vehicle registration expiration dates.
2. The university is authorized and reserves the right to regulate the use of any of its vehicle parking facilities for the exclusive use of designated groups or individuals.

This includes vehicles used by evening and non-traditional special students. Exceptions to this requirement are as follows:

1. Vehicles displaying “government” license plates.
2. Properly identified Government officials, such as FBI, ATF, US Customs, etc., who need to park on campus on official business, whose vehicles do not display an official government tag or other governmental markings, may be issued a one day parking permit free of charge. These permits may be issued at either the Visitor and Parking Information Center or the Department of Parking and Transportation.

4. Visitors shall comply with subparagraph (f) below.

(b) Registration of more than one automobile and one motorcycle is permissible by paying full price for each permanent decal or hang tag. A hang tag permit transferable from automobile to automobile is also available; however hang tags cannot be transferred from an automobile to a motorcycle.

(b) The vehicle registration year begins September 1 and ends August 31 the following year. To facilitate the permit registration process for physical permits, hangtag permits may be available for purchase the beginning of the last week in July of the registration year. Semester permits are valid 150 days from the date of purchase. Each vehicle must be registered with a virtual permit or have a physical permit properly displayed no later than the first day of classes of each semester. Individuals who purchase a virtual permit may register a second vehicle to their account for an additional $15.00 fee. Only one registered vehicle per account can be parked on any of the UCF campuses at any given time or the account holder will be subject to $100 parking fine for virtual permit misuse.

(cd) All individuals who register their vehicles at the university must register them online. Registrants may pay for their parking permits online with a credit card, or Knight Cash, or pay for them in person at the Department of Parking and Transportation in Parking Garage B.

(e) Decal Display—Issued decals are to be permanently affixed to the registered vehicle. Decals must be affixed either to the left rear bumper or on the outside of the rear windshield of the driver’s side. Motorcycle decals must be affixed to the right front fork. Decals not affixed in accordance with instructions will result in a citation for improper display.

(df) Physical hang tag permits must be displayed on the rearview mirror with the permit number and expiration date visible and legible from the exterior of the vehicle.

(eg) Registrants must register their own vehicle. The Department of Parking and Transportation must be notified of any change in ownership or license plate number.

(h) Permanent decals are not transferable between individuals or vehicles. Upon sale or other disposal of a registered vehicle, the permanent decal must be destroyed.
unless the registrant wishes to purchase a replacement decal. If the registrant wishes to purchase a replacement decal, the registrant must remove the original decal from the disposed vehicle and return it (or sufficient fragments thereof, including the decal number) to the Department of Parking and Transportation as proof that the original decal is no longer in use.

Parking permits are sold or issued under the following guidelines:

1. Only the university president, vice presidents, associate vice presidents, assistant vice presidents, deans and others as approved by the University Parking and Transportation Advisory Committee are eligible to purchase “A” permits. An “A” permit authorizes parking in a 24-hour reserved space, as well as in any other legal parking space on campus that is not reserved for 24 hours daily use. Only a limited number of 24-hour reserved spaces are available.

2. Except as provided otherwise above in subparagraph (i)1, employees with salaries >$55,001 must purchase virtual “B” permits. “B” permits authorize parking in designated “B”, “C”, and “D” parking areas or in any unreserved parking garage on the campus.

3. Employees with salaries < $55,001 may purchase either a virtual “B” or “C” permit. “C” permits authorize parking in designated “C” or “D” parking areas but they must park in the type of facility designated by the permit they choose, or in any unreserved parking garage. Category of permit must be selected when the permit order is placed. Employees who are enrolled in classes may not purchase a student “D” permit in lieu of the appropriate “B” or “C” permit. Full-time employees who are also enrolled in classes are not eligible to purchase student “D” permits.

4. All non-student OPS employees may purchase “B” or “C” permits based on the aforementioned criteria, but they must park in the type of facility designated by the permit they choose, or in any unreserved parking garage on the campus.

5. Eligible non-UCF employees of the Research Park and on-campus vending/retail establishments must purchase only “C” permits. A “C” permit authorizes parking in designated “C” and “D” areas only, or in any unreserved parking garage on the campus.

6. All students who do not live on campus may purchase only “D” permits. “D” permits authorize parking in designated “D” parking areas only, or in any unreserved parking garage on the campus. Graduate Teaching Assistants, Graduate Research Assistants and all other student OPS employees must purchase only “D” permits.

7. All students, staff and faculty parking motorcycles, mopeds, or motor scooters on campus must purchase motorcycle (“MC”) permits. “MC” permits authorize parking in designated motorcycle spaces only.

8. Residential students who reside in the Apollo, Libra, Nike, Hercules, and Neptune communities must purchase only “R” permits. “R” permits are restricted to “R” designated parking areas between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday; however, any unreserved parking space may be used at all other times. Posted overnight and game day restrictions apply.
8. Residential students who reside in the Lake Claire community must purchase only “RL” permits. “RL” permits are restricted to “RL” designated parking areas between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday; however, any unreserved parking space may be used at all other times. Posted overnight and game day restrictions apply.

9. Residential students who reside in the Towers at Knights Plaza must purchase only “KP” permits. “KP” permits are restricted to parking garage E or G between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday; however, any unreserved parking space or garage may be used at all other times. Posted overnight and game day restrictions apply.

5. Commuter students. Student virtual permits are available to all students who do not reside in campus housing. A “D” virtual permit allows parking in designated “D” student parking areas.

6. Resident students.
   a. Residential virtual permits are available to students who reside on campus as follows:
      i. Residents of Apollo, Libra, Hercules, Nike and Neptune communities may purchase only “R” virtual permits and are restricted to designated “R” parking spaces between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday.
      ii. Residents of Lake Claire community may purchase only “RL” virtual permits and are restricted to designated “RL” parking spaces between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday.
      iii. Residents of the Towers at Knights Plaza may purchase only “KP” virtual permits and are restricted to “KP” parking garages between the hours of 7:00 a.m. and 5:30 p.m. Monday through Friday.
   b. All residential parking spaces are restricted to residential permits only and are towing enforced.
   c. All residents with listed virtual permit designations may park in any unreserved parking space from 5:30 p.m. to 7:00 a.m. and on weekends. Posted overnight and game day restrictions apply.

7. Graduate Teaching Assistants, Graduate Research Assistants and all other student OPS employees may purchase only “D” permits.

8. Employees and students (including Valencia employees and students) at the Rosen College of Hospitality Management, and UCF Downtown campus, and the Academic Health Sciences Campus must purchase a virtual permit of the appropriate classification (“B”, “C”, or “D”) which may be used on any of the UCF campuses for parking on the UCF main campus, the UCF Downtown campus, the Academic Health Sciences campus, and the Rosen campus in “B”, “C”, or “D” lots and park in parking areas as their permit designates.

9. Employees or affiliates of the city or county must display a valid UCF permit to access UCF Parking facilities.

10. Valencia employees and students must purchase a “V” permit of the appropriate classification (“BV”, “CV”, or “DV”) which may be used for parking on the UCF Downtown campus, the UCF main campus, the Rosen
Campus, and the Academic Health Sciences campus in “B”, “C”, or “D” lots as their permit designates.

12. Employees and students of the Academic Health Sciences Campus must purchase a “M” permit of the appropriate classification (“BM”, “CM”, or “DM”). “M” permits allow parking at the Academic Health Sciences Campus, UCF main campus, the Rosen Campus, and the UCF Downtown Campus in “B”, “C”, or “D” lots as their permit designates.

1043. Employees of the Athletics Department, UCF Convocation Corporation (UCFCC), and the Arena, may be issued “F” permits. Approval to purchase an ‘F’ permit must be granted by a designee of the Athletics Department or UCFCC. An “F” permit authorizes parking in parking garage F or any other parking lot or unreserved parking garage that is equivalent to the permit they are issued. “F” permits may be red or blue.

1144. Special guests of the university, including but not limited to fully retired UCF employees, eligible campus ministry personnel and State Auditors, shall be issued “G” permits, subject to the availability of such permits. A “G” permit authorizes parking in any legal parking space on campus other than those reserved twenty-four (24) hours a day. Requests for this permit shall be submitted to the Department of Parking and Transportation. Retirees who return to work in a full-time position with benefits are not eligible to receive a “G” permit. “G” permits, whether decal or hang tag, are assigned to the retiree or other eligible person(s) for their use only and may not be transferred to another person. Such transference constitutes fraud and the permit may be revoked. Further, additional permit issuance may be prohibited to the retiree as well as any other individual involved with the use of said permit. A replacement fee may be assessed for a “G” permit that is reported lost.

1245. Vendor permits are available to vendors who conduct business on the university campus. University departments located off campus may purchase vendor permits for short term, official business only. Vendor permits allow for parking for short term (2 hours) for use of Service Vehicles Only spaces for close parking access to buildings to load or unload materials, supplies, and/or equipment. For all other usage, including any parking exceeding 2 hours, Vendor permits allow use of any “C” or “D” parking lot or unreserved parking garage spaces. Vendor permits are not intended to be used to provide convenient parking or an alternative to purchasing a parking permit. Departments that purchase vendor permits are specifically prohibited from allowing students to use the permits for non-vendor functions, e.g. to go to class or attend campus events. If heavy lifting of materials is not required, a UCF staff hang tag may be purchased instead. Vendors who need a permit on an infrequent basis may purchase a daily permit that can be used as a vendor permit. In such cases vendors must inform Parking and Transportation Services personnel of their need for a vendor parking permit. Departments found in violation of this regulation will have their vendor permit confiscated and rescinded for the balance of the parking year, and may be designated as ineligible for purchase/re-issue of a vendor permit for a period up to one year.

1346. Visitors to the campus shall purchase a daily visitor’s parking permit online at www.parking.ucf.edu or at the Visitors and Parking Information...
This permit is to be displayed on the vehicle as instructed. A virtual daily permit or physical daily permit authorizes parking in student (“D”) parking lots and unreserved parking garages unless otherwise directed by parking services personnel. Daily permits are valid from time of purchase until 11:59 p.m. of the date purchased. Visitors may also purchase a virtual permit online at www.parking.ucf.edu. A virtual permit authorizes parking in all student parking lots and unreserved parking garages. A 24-hour daily permit may be purchased and will expire 24 hours after time of purchase. Visitors may also park in any short-term, timed parking space by paying the appropriate fee for the time requested. Short-term, timed spaces may be enforced 24 hours a day, unless otherwise posted.

Individuals who possess a valid Disabled Veteran (DV) license plate are exempt from the parking permit fee provided the DV license plate is registered in their name.

Persons holding current, permanent state-issued disabled placards, or temporary state disabled placards are required to purchase a UCF parking permit of appropriate classification, i.e., “B,” “C,” or “D,” or “Daily Visitor” to park on the campus. Disabled persons with such appropriate permits may park in any available disabled parking space on the campus, including unreserved parking garages, except for those spaces that are restricted, such as designated twenty-four hour reserved or service parking spaces.

Temporary parking permits must be obtained when an unregistered substitute vehicle is being parked on campus. A temporary permit may be obtained at the Visitors and Parking Information Center or at the Department of Parking and Transportation during business hours. A temporary permit for substitute vehicles is issued at no charge and allows the same parking privileges as does the permanent decal for which it substitutes. A temporary permit shall be issued for a maximum period of seven (7) days. A maximum of six (6) temporary permits may be issued to a vehicle in a single semester. Failure to obtain a temporary permit will result in a citation for no permit. A temporary permit shall be displayed on the vehicle rearview mirror facing forward.

Patients of UCF Student Health Services and UCF Counseling Center or Wellness and Health Promotion Services:

a. Student Health Services: Both a valid UCF parking permit and Health Services parking pass must be properly displayed when parking in Health Services patient spaces. The Health Services pass must be obtained from the reception desk located in Student Health Services.

b. When the original permit or sufficient remnants thereof, is not returned or proof of sale is not provided, the replacement fee shall be the full fee in effect at the time of the replacement. The full fee also applies to permits to replace those that are reported lost.

(3) Parking Regulations.

(a) The responsibility of locating a legal parking space rests with the motor vehicle operator. Lack of a convenient space shall not be considered as a valid excuse for violation of any parking regulation. The fact that a person parks or observes others parking in violation of any parking regulation without being cited does not mean that the regulation is not in effect.

(b) Except as noted herein, all parking regulations apply twenty-four (24) hours a day, seven (7) days a week and parking areas are restricted to specific decal or decals as designated by posted signs or curb markings. However, between the hours of 5:30 p.m. and 7:00 a.m. any vehicle with a valid parking permit may use any “B” (Faculty), “C” (Staff) or “D” (Student) parking space except where otherwise specified by appropriate signs or markings. “A” (Reserved 24 hours), “Service Vehicle Only” parking spaces, and disabled parking spaces shall not be used at any time except by vehicles with decals or certification authorizing use of these specific spaces.

(c) Short-term, timed parking is enforced twenty-four hours a day, seven days a week. Drivers of all vehicles using short-term, timed spaces are responsible for paying the posted fees.

(d) All vehicles must park nose in within parking spaces, unless a registered license plate is correctly mounted on the front bumper of the vehicle.

(ed) The following parking practices are specifically prohibited:

1. Parking on lawns, landscaped areas, sidewalks, or other areas not specifically designated by signs or curb markings as parking areas. The absence of a “No Parking” sign does not mean parking is permissible in an area.

2. Double parking, parking any portion of a vehicle outside designated lines or beyond a post or other delineation device indicating a valid parking space or row.

3. Blocking traffic, other parked vehicles, service areas or spaces, roadways, crosswalks, or wheelchair access aisles and ramps.

4. Parking in an access lane. An access lane is any area that is not designated as a parking space and that provides an avenue for traffic flow.

5. Except as noted in paragraphs (b) and (c) above, parking in any space designated for decals other than the one displayed on the vehicle.

6. Parking in a short-term, timed space after the purchased amount of time has expired.

7. Unauthorized parking in 24-hour reserved “A” parking spaces.

8. Unauthorized parking in designated service areas.

9. Parking an unregistered vehicle without a valid parking permit anywhere on the UCF campuses.

10. Failure to display parking permits properly: not permanently affixed, improperly placed, or not displayed on the vehicle for which purchased.

12. Unauthorized or fraudulent use of a parking permit.
13. Parking a bicycle, electric bicycle, scooter, skateboard, or any micro-mobility device in a motor vehicle space, on disabled ramps, in areas designated by signs as no bicycle parking, on sidewalks or crosswalks, or in any way to impede ingress or egress of a building.
14. Parking a motorcycle in a motor vehicle space, or any space not designated as motorcycle parking.
15. Parking in a residential parking space without the appropriate permit.

(4) Disposition of Parking Citations.
(a) Payments of non-contested parking citations must be received by the Department of Parking and Transportation within ten (10) business days from the date of citation issue. A late charge of $10.00 shall be assessed each citation if payment is received after the ten (10) business day period. Payments shall be made by mail, in person, by telephone, or online (at www.parking.ucf.edu) or by deposit in campus fine collection boxes. Campus fine collection boxes are yellow and located throughout the campus.
(b) Once a citation has been placed on the vehicle, Parking and Transportation personnel have no further responsibility of notification.
(c) Fifty (50) or more coins used in any parking related transaction delays processing and will not be accepted as a form of payment.
(d) Any person who alleges being unjustly ticketed shall appeal the citation online at www.parking.ucf.edu within ten (10) business days from the date the citation was issued. The Director of the Department of Parking and Transportation or an authorized designee shall eliminate late charges or dismiss the citation altogether if it is determined to have been issued in error. Appeals not sustained by the director or authorized designee shall be heard by the Parking Citation Appeals Committee. Individuals requesting personal appeals shall be notified of their scheduled hearing date at the time his or her appeal is submitted online. A reminder of the notification will be emailed to the appellant prior to the scheduled appeal date. Written appeals shall be reviewed by a Parking and Transportation Services sub-committee made up of representatives from parking enforcement, maintenance, management, general staff and students. All appellants shall be notified by email of the committee’s decision subsequent to the appeal being heard. Fees assessed due to a vehicle’s immobilization may not be appealed.

A student may request a second level of appeal by submitting a written appeal with the Student Government Association’s Judicial Council within ten (10) business days upon receiving notification that the original appeal to the Parking Citation Appeals Committee was heard and denied. The Student Government Association is responsible for establishing the appeal procedure for this second level of appeal. The decision of the Judicial Council is final and binding and no further appeals shall be permitted. For purposes of this appeal process, “student” shall be defined to mean a person enrolled in classes at UCF as of the date of the parking citation.
(f) The following reasons will not be accepted by the Judicial Council as grounds to dismiss or reduce a citation. This is not an all-inclusive list:

1. Disagreement with the traffic and parking regulations
2. Ignorance of the regulation
3. Stated inability to find a permitted parking space
4. Operation of the vehicle by another person
5. Tardiness to class and/or appointment

7. Displayed expired permit
8. No valid virtual permit
9. Traffic congestion
10. Stated perception that designated parking area is not safe
11. To delay paying the fine for an appealed citation

2. The student must prepare a concise written and/or oral statement not to exceed five minutes.
3. The Judicial Council will contact the student within three (3) business days to schedule a hearing. The case will be scheduled within ten (10) business days upon the Judicial Council receiving notice of the appeal. If the student does not appear for the hearing in person before the Judicial Council, the hearing will continue in the student’s absence as a written appeal. The original decision of the Parking Appeals Committee will be sustained. The Director of Parking and Transportation Services does not have the authority to overturn the decision of the Judicial Council.

(5) Vehicle Immobilization.

(a) Vehicles are subject to immobilization under the following circumstances:

1. The vehicle has accumulated three or more unpaid parking citations, or unpaid citations totaling $200.00 or more in fines.
